

Bible – Philippians and 1 Peter

Grades 9-12

Course Description:

This course will explore faith and the practical out-working of faith by studying two pivotal books: Philippians and 1 Peter. Students will use “Precept In & Out” study materials, which will allow an in-depth, inductive, study while keeping the homework commitment reasonable. The studies will teach the students how to live joyful lives in submission to God, regardless of circumstances, other people, persecution, or trials. There will be special emphasis on personal application so that each student can live a life more glorifying to the Lord.
