

Advanced Chemistry Lab

(student must be concurrently enrolled in APS co-op Advanced Chemistry course)

Grade: 9-12 having met the pre-requisites (see Adv. Chem course description)

Course Description:

This lab work will be done at home, with a lab partner, and will coordinate with the class work done in the Adv. Chemistry course. Lab safety will be taught and the instructor will be available by email, phone, or in person to answer questions. Weekly reports will be turned in to verify lab work.

The cost of the lab kits for Adv. Chem. is approximately \$45. Students will work with a lab partner that will be assigned on or before the first day of class. This will keep the fee for the lab kit very reasonable and also make the labs more enjoyable.

Course Fee: \$40 per semester

Material Fee: \$5 per semester

Lab kit, etc. will be the responsibility of the student

Course Text: Experiments are in Adv. Chemistry text

Course Min.: 10 students

Instructor: See description from Advanced Chemistry course

This is a two semester course and is worth 5 units. A grade will be issued by the instructor at the end of each semester.

This course must be taken concurrently with the Adv. Chemistry course.

Advanced Chemistry Lab Registration Form

The cost of this course involves a COURSE Fee and Material/Admin. fee for each semester. Student must be concurrently enrolled in Adv. Chem.

Check for these fees must be submitted with this registration form.

Fees may be paid in installments, but **ALL installment payment checks MUST BE INCLUDED with this form and dated as shown below.**

- 1. Payment of Course Fee: MAKE PAYABLE TO JESSE COTTRELL**
