- Sorry, information for all events cannot be included in a single envelope.
- If you make reservations for a free event, please honor your commitment.
- If you cancel, do so in advance so that someone else can attend.
- If an event involves a fee, payment is required with the coupon.
- Unless stipulated otherwise, all payments are non-refundable.
- Unless stipulated otherwise, **make checks payable to APS.**
- Reservations are ONLY made by mail, NEVER "pay-at-the-door."

- **The "Coupon" mailbox at Workshops is only for coupons addressed to APS.** Mail all other coupons to the sponsor's address.
- If a Special Event is limited to specific grade levels, please DO NOT bring children outside of the valid grade levels.
- Grade level limits are established after a great deal of thought and sometimes by direct instruction from host institutions.
- Grade level limits are set to best meet the educational needs of those expected to attend. Thank you for your cooperation.

PLEASE NOTE: Children who are not enrolled in APS may NOT attend Special Events unless the event description states: **"Open to all family members."** This applies to nursing babies, toddlers, older siblings enrolled in other schools, and really nice cousins visiting from the Midwest. ## Living Wax Museum Info

**Activity:** Students will select a historical person to research. They should write a paragraph that includes the answers to the following questions:

1. What is your full, original name?
2. When and where were you born?
3. What were some interesting things that happened to you?
4. Why did you become famous?

Students should select an appropriate costume that their character might have worn during their lifetime. Parents are responsible for providing their children with an appropriate costume, make-up, props, etc.

Each figure will come up with a clever way to begin their presentation (to make their character "come alive"). As visitors mill about the museum, they will stop at the various figures scattered throughout the room and follow the directions posted by the child (parents) to bring the character alive.

For example, if a participant is a queen, they might post instructions tell guests to curtsy or bow. When a guest curtsies or bows the character will "come alive" and recite the paragraph that they wrote. Once they have finished, they will strike a pose and "freeze" until a new guest comes along and begins the process over again. (Understandably, some students will be able to "freeze", while others will be fidgety due to age constraints.)

**INVITE** grandparents, friends, etc. to visit our wax museum. The more guests we have the more fun it will be for the students. We have scheduled the event on a Saturday evening so dads, grandparents and friends can come.

**Additional materials:** Students are encouraged to put together a display board (similar to the three paneled science fair type board), with the following items displayed:

1. Title - Name of your historical person
2. Timeline - Record important dates and events in the life of your person.
3. Vocabulary - List new words that you learned during your research.
4. Portrait - Draw a detailed illustration of your person.
5. Bibliography - Document all resources you used for your research.
6. Reflection - Reflect on your person's life. Write a brief summary explaining what you liked or disliked about your person and why.
